

NOVA GUIDES Holiday 2011/2012 Schedule Starting December 17, 2011

Top of the Rockies Half-Day (3 Hour) Snowmobile Tours:

Morning Half-Day – Our most popular 'Top of the Rockies' tours begin with transportation from the hotel, or guests can drive out to us. We'll explore the famed Camp Hale area, home to the former 10th Mtn. Division, and climb up to elevations of 12,500 feet! All morning tours include a hot lunch from our restaurant. Guests can relax by the fire and enjoy a hot chocolate before returning back to the hotel.

Time: 8:30 am pickup, 2:30 return (with lunch)

Drivers: \$225 Passengers: \$60

Afternoon Half-Day – The afternoon tour includes all the great riding on the same 2012 snowmobiles as the morning tour, only without the lunch.

Time: 12:30 pm pickup, 5:30 return

Drivers: \$215 Passengers: \$60

Tigiwon (2 Hour) Snowmobile Tours:

Our Tigiwon snowmobile location just outside of Minturn is a great option for all levels. Because the tours are a little shorter than our Top of the Rockies tours, this tour is ideal for anyone looking to experience a great snowmobile ride without necessarily dedicating a day away from the slopes.

We'll take a pit stop midway for hot chocolate at our backcountry yurt. Great views of the Back Bowls!
