CHARTERS by AIR DENVER, INC
Nationwide/Worldwide Air Charter Referral Service

The Problem Solver!

Since 1981

**Over 18,000 aircraft throughout North America
single engines to large airliners - passenger and cargo**

Chartering is now an option that you can easily make available to your clients. The following check list are factors that indicate when a charter may be a logical, convenient, time saving, money saving, and a fun option!

CHARTER YOUR OWN PLANE WHEN:

Destination not serviced by scheduled air. *Over 8,000 more airports to choose from!*

When speed is of the essence. *Fly direct and by-pass the congested airline terminals.*

When you absolutely need to get there. *Airlines cancel 1000's of flights daily.*

A one day trip is desired, but unavailable by scheduled air.

Numerous destinations.

Privacy and Luxury!

Three or more are traveling last minute on the airlines. Charters can compete with airliners!

and we DO NOT HAVE COMMISSION CAPS! - Net pricing also available.

Offering a personalized charter flight as an alternative way to travel is a great way of letting your clients know that you are indeed a full service Concierge. Your suggestion of a charter flight may enable your clients to spend more nights at home and lower their travel costs.

Charter flights can compete price wise with the scheduled airlines when 3 or more are traveling last minute. Plus a charter can usually get your client to their destination before they would even clear security at most major airports.

Check out our one way pricing! If your client is going east or west out of Aspen, and they are requesting a one way flight, we have numerous aircraft that we can offer at a substantial discounted prices.

When you contact us you'll receive options and ball park prices on your first call. For immediate flights, we can give you actual prices and availability in 20 minutes or less. For trips further out, a day or two may be needed to assure you the best aircraft and price.

Some of our services include: large aircraft for incentive groups, track programs for tour operators, back-up aircraft for corporate, charter and airline operators, cargo flights, film crews, band tours, air ambulance, consulting for Hollywood, government and business entities. If it has to do with aircraft, we do it!

Call us at: (303) 333-3332 or (800) 333-4057

We are available 24 hours for immediate flights – Normal office hours 8:00 to 5:30 Mountain Time
